## Attending Physician's Statement of Impairment

|                            |        |           |                |
|----------------------------|--------|-----------|----------------|
| Name of Patient:           |        | Address:  |                |
| City:                      | State: | Zip Code: | Date of Birth: |
| Name of Parent/Subscriber: |        | Group #   | Employer:      |

### History

|                                                                                                                               |        |              |       |
|-------------------------------------------------------------------------------------------------------------------------------|--------|--------------|-------|
| • When did symptoms first appear or accident happen?                                                                          | Month: | Day:         | Year: |
| • Date patient ceased work because of disability. (if applicable)                                                             | Month: | Day:         | Year: |
| • Had patient ever had same or similar condition? If yes, state when and describe.<br>_____ Yes                      _____ No | Date:  | Description: |       |

### Present Condition

|                                                                                                                                              |           |
|----------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| • Did this incapacity exist prior to the dependent's 26 <sup>th</sup> birthday?                      _____ Yes                      _____ No |           |
| • Subjective symptoms:                                                                                                                       | Describe: |
| • Objective symptoms: (include results of EKG's, current X-rays, or any other special tests)                                                 | Describe: |
| • Is the patient:    ___ Ambulatory            ___ Bed Confined            ___ House Confined            ___ Hospitalized                    |           |

### Diagnosis Including Prognosis

### Treatment

|                                                                                                                                              |                                                          |          |        |
|----------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------|----------|--------|
| • Frequency of visits:                                                                                                                       | Weekly:                                                  | Monthly: | Other: |
| • When did you last examine this patient:                                                                                                    | Month:                                                   | Day:     | Year:  |
| • Degree of psychiatric impairment:                                                                                                          | _____ None            _____ Mild            _____ Severe |          |        |
| • Degree of physical impairment:                                                                                                             | _____ None            _____ Mild            _____ Severe |          |        |
| • Is this patient capable of holding self-sustaining employment at this time? If yes, please comment:<br><br>Yes            or            No | Comment:                                                 |          |        |

**Name of Hospital(s)**

|                                                                                                               |                    |                    |
|---------------------------------------------------------------------------------------------------------------|--------------------|--------------------|
| <ul style="list-style-type: none"> <li>Please name hospital(s), if ever admitted as an in-patient:</li> </ul> | Admission Date(s): | Discharge Date(s): |
|---------------------------------------------------------------------------------------------------------------|--------------------|--------------------|

**Progress**

|                 |                |                  |                    |
|-----------------|----------------|------------------|--------------------|
| _____ Recovered | _____ Improved | _____ Unimproved | _____ Retrogressed |
|-----------------|----------------|------------------|--------------------|

To the best of this physician's knowledge, is the patient's impairment permanent or is there a chance for enough recovery that patient could become independent from subscriber and; therefore, not meet the requirements for insurance coverage through NBHP?

|                                                                                      |                                                                                      |
