

**Kroger Pharmacy is leaving the Express Scripts Pharmacy Network, January 1, 2023**

**For the latest information visit [express-scripts.com/networkchange](https://express-scripts.com/networkchange)**

Log in to [express-scripts.com](https://express-scripts.com), click Pharmacy, then Find a Pharmacy to search for a network pharmacy in your area. If you do not have an account, click [Register Now](#).

**Transfer your prescription to a network pharmacy to avoid interruption.**

**Reminder: Our Prescription Plan offers two choices to fill long-term maintenance medications**  
A maximum of three fills allowed at retail (up to a 34-Day supply) for a new maintenance drug. After that, a 90-Day supply of the drug must be filled at the Express Scripts Home Delivery Pharmacy or at a retail pharmacy in the Smart90 Standard Retail Pharmacy Network.

**How to transfer a long-term medication prescription to a Smart90 Retail Pharmacy?**

Here are three ways to make the switch:

- \* Take your prescription bottle to your new pharmacy and they will contact your current pharmacy to transfer your prescription
- \* Call your new pharmacy and ask them to transfer your prescription
- \* Ask your doctor to contact your new pharmacy with your prescription information

**How to transfer a long-term medication prescription to Express Scripts Home Delivery?**

Transfer your 90-Day prescription to Home Delivery Express Scripts Pharmacy. Just call 866.275.0044 and they will contact your doctor to get a script or go to [express-scripts.com](https://express-scripts.com).

## Manage your medication. Anytime. Anywhere.

The Express Scripts® mobile app is like a pharmacy in your pocket. You can order refills, make payments, and even set up reminders to take your medication.
