

Sign up and get started in minutes.

Meet **My Premise Health**, your secure member portal. It helps you schedule appointments, message your provider, view lab results and so much more. Everything you need is in one place – now that’s convenient.

Follow these steps:

Open the My Premise Health app or visit mypremisehealth.com and select **“Sign Up.”**

To begin the process, complete the required fields on the **activation page** or select **“Sign up online.”** Depending on the information we have on file, you may be asked to verify your identity through a third-party verification system.

Secure your account by setting up two factor authentication. Select **“Get Started”** and enter your contact information. Continue, and enter the one-time security code you received via text or email, then select, **“Verify.”**

Create a unique username and password for your member portal. Enter your date of birth and email address, then click, **“Submit.”**

Read the terms of service and select, **“Accept.”**

Your account activation is now complete!

Get started today.

Sign up for your account on the **My Premise Health** app or online at mypremisehealth.com.
