

CareHere is now Premise Health.

Welcome to your new health home.

The Scioto Advantage Health & Wellness Centers have joined the Premise Health family.
What does this mean for you?

You're in good hands.

We pride ourselves on quality, which means you'll receive the same if not better care at your wellness center under the Premise Health name.

Your providers aren't changing.

We believe good relationships lead to better care. That's why the same providers you know and trust will continue to serve your healthcare needs.

You're getting a new patient portal.

The CareHere portal will be replaced on 4/25/2022 by My Premise Health, which means you'll need to re-register to stay connected with features like online appointment scheduling.*

*You will have read-only access to your CareHere portal and patient data until May 2022. Your medical records will always be available upon request.
